Mr James Arnold	No	No	No	Policy		Absolutely idiotic plans by Charnwood to destroy a beautiful Leicestershire village with absolutely no consideration to local residents.			

WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
<p>This plan is a complete disgrace as it shows no consideration or intelligent thought to the standard of living for the residents of the village. It was obviously dreamt up by a group of complete idiots that have no idea of there their responsibilities to the members of Charnwood borough. No thought has been made to the fact that the village is already congested with traffic and insufficient parking for residents, speeding is already a problem through the village so what plans are there for traffic calming? None, as no thought has been given to this. The A46 exit to Seagrave road is already very dangerous and the increased traffic flow will result in deaths. What thought has been given to loss of valuable wildlife habitats?? None. The village school could never support the increase in numbers. With no public transport in the village then an increase of 2 cars per household will make the pollution levels intolerable. Again no thought has been given to this!! It is a complete disgrace and dis-regard to the local community that these plans are even being suggested.</p>	<p>Complete disgrace and no thought given to local residents.</p>	<p>No</p>
