WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
Although the plan may be legally compliant and co-operates. It does nothing to sort out the problems associated with a distinct lack of schools/doctors and basic infer structure in my village of Sileby. You also seem to have missed out any help or infer structure to mitigate the flood problem of all of our villages. Where we have to spend at least 2 hours trying to reach Loughborough/ work by whichever route ISN'T flooded, which most times is now limited down to 2/3 routes, if we're lucky. We could also do with more amenities and local business being tempted to the village,	The flooding issues of the villages should be addressed, so we don't have to spend upwards of 2 hrs in a queue to get to work/school, because there happens to be only 2/3 routes available when it floods.
