Mr Frank Cooper	Yes	No	No	Policy		Maintenance of Green Wedge between town and village			

WHY PLAN NOT SOUND	MODIFICATIONS	HEARINGS	HEARING SESSIONS
<p>The plans for Employment Allocation land at Dishley Grange allows for one small field between Hathern and Loughborough. I do not believe such minimal separation follows the intent of Green Wedges to ensure adequate separation between town and village. One field is not a Green Wedge. Hathern wishes to maintain it's identity as a village. These plans will effectively join Hathern to Loughborough and you will be abrogating your responsibility under existing agreement to maintain the Green Wedges if this plan remains in place as currently shown.</p>		No
