My names Robert Walton my address [REDACTED] . I STRONGLY OBJECT TO HOUSES BEING BUILT IN THE FIELD [REDACTED] ESPECIALLY IF THEY ARE RIGHT ON TOP OF US & 3 STOREY HIGH. NO DOUBT IT WILL BE JELSONS . THE ROADS ARE INADEQUATE / GOODES LANE / MELTON ROAD NEEDS TRAFFIC LIGHTS .YELLOW LINES NEED EXTENDING AT T JUNCTION THROAT. PAVEMENTS ON THIS ESTATE NEED RESURFACING (TRIP HAZARD) SYSTON TOWN CAR PARKING IN ADEQUATE . NEED TOWN CENTRE RESTRUCTURE TO MAKE IT A PLEASANT PLACE TO SHOP .A WIDER PEDESTRIAN CENTRE (MEANING BUILDINGS KNOCKED DOWN) ALSO SCRAPPING THE ROUNDABOUT FROM HELL. A NEW MINI BUS STATION . SCRAPPING THE STUPID BUS STOP NEXT TO BROOK CAR PARK ENTRANCE.. WHEN THIS DEVELOPMENT TAKES PLACE THE ROADS NEED TO BE BUILT FIRST . THE NEW SCHOOLS NEED TO BE BUILT AT SAME TIME & HEALTH CENTRE& COMMUNITY CENTRE (NOT AFTER) AS FOR THE DESIGN OF THURMASTON SHOPPING CENTRE (ITS A JOKE) CAR PARKING INADEQUATE . WHO IN THE RIGHT MINDS BUILDS A Mc DONALDS AT THE BOTTOM OF THE CAR PARK & YOU HAVE TO DRIVE IN THE WHOLE COMPLEX TO GET TO IT. GREEDY DEVELOPERS GETTING MAXIMUM RENTS FOR SMALL AREA.
