Dear Ms Strachan,

Consultation: Charnwood - Core Strategy examination - Main Modifications

I am responding to the above consultation on behalf of the National Federation of Gypsy Liaison Groups.

In general, we support and welcome the proposed changes which go some way to meeting our previous concerns.

However we maintain that the first bullet point is superfluous and unduly restrictive. The third bullet point which requires sites to “relate well to local infrastructure and services….” adequately addresses the issue.

Yours sincerely,

A. R. Yarwood
