

## Decision under Delegated Powers

### Officer Making the Decision

Strategic Director of Corporate Services (and s151 Officer)

### Recommendations

1. In accordance with the Local Authorities (Calculation of Tax Base) (England) Regulations 2012, that the amounts calculated by Charnwood Borough Council as its Council Tax Base for the year 2020/21 shall be as shown as at Appendix A of this document.
2. That the expenses incurred by the Council in performing in Loughborough a function performed elsewhere in its area by a parish council or the chairman of a parish meeting be treated as Special Expenses for the purposes of Section 35 of the Local Government Finance Act 1992, as approved by Council in respect of the 2020/21 financial year.

### Reason

1. To set the Council's 2020/21 Council Tax Base.
2. To determine Special Expenses in Loughborough.

### Authority for Decision

The constitution of Charnwood Borough Council delegates authority for setting the council tax base to the s151 officer.

### Decision and Date

Simon Jackson

20 DSC 2019

### Background

#### *Council tax*

The Council Tax Base figures are used to calculate the charge payable for each band of property in order to collect sufficient revenue to meet the requirements of the precepting authority.

### *Special Expenses*

It is also necessary at this time to record where the expenses incurred by the Council in performing, in part of its area, a function performed elsewhere by a Parish Council or the Chairman of a parish meeting shall be special expenses.

The table at Appendix A shows the calculations for the parishes, the special expense area of Loughborough and Charnwood Borough Council as a whole. The Council Tax Base figure shown at the foot of the table in Appendix A will be used to calculate the Band D Charnwood precept for 2020/21.

### **Financial Implications**

There are no direct financial implications. However, the calculation of the Council Tax base is critical in the process of setting the Council Tax and creation of the budget.

### **Risk Management**

No specific risks have been identified with this report..
