

Don't Step on a Bee Day!

10th July 2020

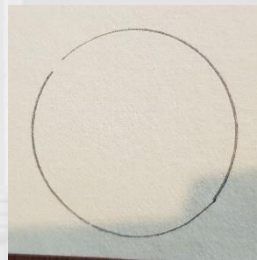

This day is designed to raise awareness about bees and about how to protect them. Climate change and disappearing nature areas mean some species of bees are becoming endangered. To help celebrate this day we have decided to make a

Bottle Top Bee

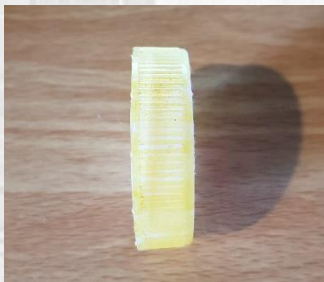

To make this you will need the following

Bottle Lid Yellow Card White Card Pencil Glue Scissors
Yellow and Black Felt-tip pen

1. Draw around your bottle lid onto yellow card and cut out.

2. If you do not have a yellow bottle lid, colour the side of the lid with a yellow felt-tip pen.

3. Stick the yellow card onto your lid.

4. Draw black felt-tip stripes onto the card and add 2 black dots for eyes.

5. Draw petal shapes for wings onto the white card and cut out.

6. Stick the wings onto your Bee.

Here is my attempt.

I hope you had fun doing this activity. Please post your bee photographs to
