

**Leicester City Council – Response to Inspectors Matters, Issues & Questions for the Charnwood Local Plan Examination 2022.**

***Matter 6: Urban Area Policies, Site Selection, Sustainable Urban Extensions and Housing Site Allocations***

***Issue 4 - Housing allocations***

***HA12 – Land at Gynsill Lane and Anstey Lane***

***Is the requirement for a new primary school within the site allocation justified?***

As per our previous comments the City, Blaby and Charnwood are all keen to pursue an integrated comprehensive approach to development in this area. The City wishes to see and agree an appropriate masterplan supported with a Statement of Common Ground (SoCG).

Leicester City council would like to make sure that space is reserved for a primary school within the masterplan in the City area, with a decision/review trigger point of one third completion of the dwellings (say 110 of the 325 new houses planned within the City boundary).
