---

### **HEARING SESSION AGENDA**

**21 February 2023 09.30 am & 2.00pm**

#### **Matter 8 – Infrastructure and Transport**

Please Note: All participants are encouraged to familiarise themselves with the Hearing Statements previously submitted and any updates for the February 2023 hearing sessions produced by the Council and other parties in respect of the matters addressed at this session. These are available on the examination website

<https://www.charnwood.gov.uk/pages/examination>

The Matters, Issues and Questions (MIQs) relating to this session are listed on the left of this agenda and the points listed below are the matters on which the Inspectors require further information or clarification and which will form the basis of the discussion at the hearing sessions.

1. Inspectors' introductions
2. Participant introductions
3. Follow Up Items
4. **Matter 8: Infrastructure and Transport**

#### **Key Documents**

Charnwood Local Plan Forecasting Report (EB/TR/11)

Charnwood Local Plan Mitigation Report (EB/TR/12)

Charnwood Local Plan – Further Analysis and Refinement  
(EB/TR/13)

Infrastructure Delivery Plan (Exam 30)

Transport Evidence – Options Assessment Report (Exam 31, 31a &  
31b)

Transport Topic Paper (TP/5)

Supplemental Transport Statement of Common Ground (Exam 19)

Schedule of Main Modifications (May 2022 & February 2023) (Exam 4)

### **Issue 1 – The Infrastructure Delivery Plan**

MIQ

8.1 – Whether the updated Infrastructure Delivery Plan (Exam 30)  
8.7 contains the full range of infrastructure to support planned growth and how it will be kept up to date, including in relation to:

Education

Transport

Whether the costs, priorities and funding/delivery sources in the Infrastructure Delivery Plan are aligned with those of key service and infrastructure providers

The implications of the main modifications proposed to the costs for education provision set out in Main9.x1 -Main9.x8 Exam 4 (February 2023)

Whether Policy INF1 will be effective in securing new and improved infrastructure and whether main modifications are necessary for soundness

### **Issue 2 – Transport**

Update on strategic transport work and the purpose of the Supplemental Statement of Common Ground (Exam 19) going forward

The likely effect of the proposed scale and distribution of development on the strategic and local highway network and the approach to mitigation

Whether Policy INF2 as proposed to be modified in Main 8.e Exam 4 (May 2022) will be effective in securing the three elements of the transport package proposed to mitigate the impact of the Plan's development:

- Improvements to sustainable modes of travel
- Targeted improvements to the Major Road Network
- Targeted improvements to the Strategic Road Network

How these will be implemented, funded and co ordinated with other partners and agencies

The measures that will be included in the Transport Strategies for Loughborough Urban Centre, Shepshed Urban Area, North of Leicester and the Soar Valley

How localised cross boundary/cumulative impacts will be assessed and delivered and any main modifications necessary for soundness

- 8.8 Policy T3 (Car Parking) and main modifications necessary for soundness Main8.b (Exam 4 May 2022)

### **Issue 3 – Community Facilities**

- 8.9 How new community facilities would be assessed under Policy T2 and main modification necessary for soundness Main8.a (Exam 4 May 2022)

Review of Matter 8 main modifications necessary for soundness

5. Follow up items and close of hearing session
