

Charnwood Local Plan – Post Hearing Consultation Response

Barrow Upon Soar Parish Council

Barrow upon Soar Parish Council has reviewed the new documents of the draft plan.

The Parish Council is concerned that the plan does not address road and transport concerns that will arise from the proposed housing developments in Barrow, particularly the general increase in traffic, the need for pedestrian footways all along Cotes Road, and a cycle route that joins these developments to the A6 cycle route.

Thank you

Alice
