Re: Charnwood Local Plan Examination – Additional Document Consultation

Dear Sir/Madam,

This letter is submitted in response to the above consultation, which provides the opportunity to comment on several additional documents/items of work that have been prepared in connection with the Charnwood Local Plan Examination in Public (EiP), in response to the Inspectors' 23rd May 2023 letter (EXAM71).

Our response has been submitted in connection with our site interests at Land North and South of Melton Road, Barrow upon Soar (Policy DS3, Sites HA46 and HA45 respectively) and Land off Barnards Drive, Sileby (Policy DS3 Site HA53). In this respect, Gladman would like to take the opportunity to comment on the current consultation to reserve the right to respond to any subsequent queries that the Inspectors may have in connection with these site interests, arising from the present consultation exercise.

Gladman are grateful for the opportunity to review and comment on the current additional document consultation. We would request that we kept up to date on any future correspondence in connection with the topics that are subject to the current consultation, including any further periods of consultation or associated EiP actions.

Please do not hesitate to contact me should you wish to discuss any of the points raised in these representations further.

Yours faithfully

Peter Dutton
