

Charnwood Local Plan – Post Hearing Consultation Response

Thrussington Parish Council

On behalf of Thrussington PC, I would like to submit one further representation. Previous representations made by the PC of course still stand.

In agreement with the chair of governors of Thrussington school the PC makes the following submission. It is in the public domain that today there are 96 children attending our village school. The capacity is 105. It is clearly a popular school and the latest addition of a school hall to be completed later in October 2023 will help underscore that. Just over 3 years ago the school had 69 pupils and so the trajectory would suggest further numbers will want to join. It is most unlikely that there will be enough spaces for the numbers of primary aged children expected to live in new developments of 90 houses in Thrussington.

We trust this updated school position will be brought to the attention of the inspectors.

Thank you for your assistance in this matter.

Kind regards

Nigel Hainsworth
(on behalf of Thrussington PC)
