

# CHARNWOOD SHELAA SITE ASSESSMENT 2019

## Site Description

Site Reference:	<input type="text" value="PSH221"/>	Site name/location:	<input type="text" value="Melton Road, Queniborough"/>
Site size:	<input type="text" value="3.1 ha"/>	Parish:	<input type="text" value="Queniborough"/>
Current land use and character:	<input type="text" value="Industrial estate."/>		
If site is currently being developed what progress has been made:	<input type="text" value="N/A"/>		
Land uses and character of surrounding area	<input type="text" value="Edge of Queniborough village with residential to the north and west. Farmland to the south."/>		

## Site Boundary

## Assessment of potential use of the site

Initial assessment of whether the site is suitable for a particular use or as part of a mixed-use development?

## Assessment of constraints and potential impacts

Are there any physical constraints to development?

Are there any environmental constraints to development?

What are the potential impacts of the development?

Is the site affected by the development plan, emerging plan policy and national policy?:

How appropriate and what is the likely market attractiveness for the type of development proposed?

Would the site contribute to any regeneration priority areas?

## What is the development potential of the site?

Dwellings / employment floorspace m2?

## CHARNWOOD SHELAA SITE ASSESSMENT 2019

### Is the site available for development?

Is the site available for development?: Yes

Are there any legal or ownership problems? None

### If issues have been identified, how will and when will these be overcome?

No irresolvable physical/environmental constraints.

Has planning permission been granted previously?: No

### What is the likely timescale for development?

What is the time frame for development 0-5, 6-10 or 11-15 years? 11-15 years

What is the expected build out rate?: 50 dwellings per annum

### Is the site suitable?:

There are no known irresolvable physical/environmental constraints preventing development and a suitable access could potentially be achieved.

### Is the site available?:

The site does not have planning permission and is not owned by a developer with the intention to develop.

### Is the site achievable?

There is considered to be a reasonable prospect that development will be delivered within the timeframe below based on a judgement of the potential economic viability of the site and developer capacity to complete and let/sell the development over that period.

### If constraints have been identified that impact on the suitability, availability and achievability of a site, how will these be overcome?:

No irresolvable physical/environmental constraints.

Site to be excluded from the SHELAA? No

<b>Site Reference:</b>	<input type="text" value="PSH183"/>	<b>Site name/location:</b>	<input type="text" value="Land at Mere Lane, Queniborough"/>
<b>Site size:</b>	<input type="text" value="0.27ha"/>	<b>Parish:</b>	<input type="text" value="Queniborough"/>
<b>Current land use and character:</b>	<input type="text" value="Paddock with stables"/>		
<b>If site is currently being developed what progress has been made:</b>	<input type="text" value="N/A"/>		
<b>Land uses and character of surrounding area</b>	<input type="text" value="The land is on the edge of the built up area of Queniborough, bounded by development to the north and west."/>		

## Site Boundary

## Assessment of potential use of the site

**Initial assessment of whether the site is suitable for a particular use or as part of a mixed-use development?**

## Assessment of constraints and potential impacts

**Are there any physical constraints to development?**

**Are there any environmental constraints to development?**

**What are the potential impacts of the development?**

**Is the site affected by the development plan, emerging plan policy and national policy?:**

**How appropriate and what is the likely market attractiveness for the type of development proposed?**

**Would the site contribute to any regeneration priority areas?**

## What is the development potential of the site?

**Dwellings / employment floorspace m2?**

# CHARNWOOD SHELAA SITE ASSESSMENT 2019

## Is the site available for development?

Is the site available for development?: Yes

Are there any legal or ownership problems?

## If issues have been identified, how will and when will these be overcome?

No irresolvable physical/environmental constraints.

Has planning permission been granted previously?:

## What is the likely timescale for development?

What is the time frame for development 0-5, 6-10 or 11-15 years?

What is the expected build out rate?

## Is the site suitable?:

There are no known irresolvable physical/environmental constraints preventing development but the site does not have good access to services and facilities.

## Is the site available?:

The site does not have planning permission and is not owned by a developer with the intention to develop.

## Is the site achievable?

There is considered to be a reasonable prospect that development will be delivered within the timeframe below based on a judgement of the potential economic viability of the site and developer capacity to complete and let/sell the development over that period.

## If constraints have been identified that impact on the suitability, availability and achievability of a site, how will these be overcome?:

No irresolvable physical/environmental constraints.

Site to be excluded from the SHELAA?

## What is the development potential of the site?

Dwellings / employment floorspace m2?

## CHARNWOOD SHELAA SITE ASSESSMENT 2019

### Is the site available for development?

Is the site available for development?: N/A Site Under construction

Are there any legal or ownership problems? N/A Site Under construction

If issues have been identified, how will and when will these be overcome?

N/A Site Under construction

Has planning permission been granted previously?: Yes

### What is the likely timescale for development?

What is the time frame for development 0-5, 6-10 or 11-15 years? Within 5 years

What is the expected build out rate?: 50 dwellings per annum

Is the site suitable?: There are no known irresolvable physical/environmental constraints preventing development.

Is the site available?: Site is underconstruction

Is the site achievable? Site is underconstruction and expected to build out over the next 5 years

If constraints have been identified that impact on the suitability, availability and achievability of a site, how will these be overcome?:

N/A Site Under construction

Site to be excluded from the SHELAA? No

Land off Boonton Meadows Way
