Q1 Board 1 provides an introduction to the project and summarises what we think are the key opportunities for the town centre. Have we got these right			
4	44	Gujarati	Buses through twin [town] centre and more parking
4	48	Polish	Protect the unique atmosphere of the city. Stop doing it like any other city
Q3 Movement and Arrival. The masterplan proposes several locations where landscaping and design of the road carriageways / pavements across the town centre could be improved. Do you support improvements in the following areas.			
Baxter Gate			
13	17	Gujarati	Buses either through city centre or through Bexar [Baxter gate], in two ways
Bedford Square			
16	30	Gujarati	I think that maintaining parking is a good thought because people can go to the city centre and it is free of charge.
Q4 Regarding movement and travel are there any other areas we have missed			
22	69	Gujarati	Is it about more parking outside house bargains? [Home Bargains]
22	76	Polish	Let the bus go through the pedestrian area
Q6 The plan indicates longer term strategies for improved landscaping along the key pedestrian and cycle routes linking the town centre to the university, station and other heritage assets. Do you support these improvements			
Radmoor Road			
28	11	Gujarati	My brother lives on Radmoor Road and he says that please leave alone
Wood Brook			
29	17	Gujarati	Circular route on one road
Great Central Railway			
30	5	Gujarati	Bad parking near Great Central
Bell Foundry			
30	4	Gujarati	Flats and more cameras are to be repaired and installed
Loughborough Station via Baxter Gate			
32	13	Gujarati	We need more Hindu shops from this street. Which is for the people from there; this is not appropriate
Q7 To support the public realm improvements we have proposed some changes to the road network – would you support the following:			
Making Southfield Road two way			
34	37	Gujarati	In order to be capable of driving our cars in the town I think that the Southfield Road works one

			way also. It might not encourage more people and us to the city centre
35	43	Polish	Crazy Idea
35	46	Polish	It is a bad idea
Accessing Granby Street Car Park from Frederick Street			
37	38	Gujarati	It is possible to drive a vehicle from the end of Guardians until Granbee. Leave it be
Q8 Regarding changes to the road network are there any other pedestrian and cycle routes we should consider			
41	50	Gujarati	Better circular routes in all the parts of city
Q10 Character Areas – Do you agree with the ambitions for each character area			
Woodgate			
48	14	Gujarati	Good for education to houses
Ashby Road / Market Street			
49	19	Gujarati	Already a restaurant
Wards End / Bedford Square			
51	43	Gujarati	Very many cafés have been there since a long time
51	47	Polish	Do not change
Do you have any other comments you would like to make			
73	85	Gujarati	Protect buses and Fredrick Street through town centre. Leave Stateford [Bedford] Square and Wards [End] alone
74	91	Polish	Get rid of people who thought about this idea
