

# PERFORMANCE AND AUDIT SCRUTINY COMMITTEE

3 March 2009

## Report of the Deputy Chief Executive

### ITEM 6 Human Resource Matters

#### 1. Purpose of Report

To provide an update on human resource matters.

#### 2. Background

This Committee receives a regular quarterly report on HR matters. This report covers the period 1 October to 31 December 2008.

#### 3. Numbers Employed

The number of people employed at 31 December remains relatively stable at 544 compared to 542 at 30 September 2008 and 544 at 30 June 2008. The gender and ethnic makeup is shown in table 1. The percentage of women employed is 57.7% (314) and the number of men is 42.3% (230).

BV11a The percentage of top-paid 5% of Council staff who are women remains short of the 30% target at 26%. It is likely that this figure will deteriorate further during the last quarter and that the target for the year will not be achieved.

BV11b The percentage of the top 5% of Council staff who are from an ethnic minority remains at 0%. The Council has set a target of 3%.

BV11c The percentage of the top 5% of Council staff who have a disability remains at 7% against a target of 3%.

BV16a The percentage of local authority employees with a disability is 3.3%. This is a further reduction in the September figure of 3.6% and the June figure of 3.8%, against a target of 4%.

BV17a The percentage of BME employees at the end of December stood at 9% compared to 8.7% in September and against a target of 7.6%.

#### **4. Turnover**

The turnover figures for the period 1 April to 30 June 2008 are given below. The total number of leavers for the period was 10(1.8%) compared to 17 (3.13%) in the second quarter and 30 (5.62%) in the first quarter. All 10 were voluntary leavers. This was compared to 15 (2.76%) voluntary leavers in the second quarter and 21 (3.93%) in the first quarter.

**5. Sickness Absence**

The sickness absence for the third quarter rose to 2.21 (3.88%) days per employee compared to from 2.05 (3.6%) days in the second and 2.59 (4.55%) days in the first quarter. Long term sickness stands at 47% compared to 65% and 59% in the previous two quarters. The Departments with the highest levels of sickness are those with the most cases of long term sickness. Again, as at the end of the second quarter, long term sickness absence has reduced with a number of employees recently returning to work, either on a full time or a phased basis. More employees returned to work during January. The third and fourth quarters are generally the worst for viral infections and there have been high occurrences of this type of sickness over the past few weeks. The total sickness for the first three quarters of 2008-9 is 6.85%. Although there has been an improvement in the levels of sickness for January, it is highly unlikely that we will achieve our target of 8.5% for the year. The figures for the quarter are shown at Appendix I.

## 6. Agency Staffing Expenditure

A list of agency staff expenditure by cost centre incurred during the period October to December 2008 is attached at Appendix 2. The total expenditure is £231,634. Of the total £39,103 is attributed to the Governance & Procurement Directorate largely to cover the vacant Director post and £31,889 is for Grounds maintenance to cover the budgeted cost of grounds maintenance work and the cost of an interim manager. The Deputy Chief Executive's Department accounts for £66,785 of the cost. This is because posts were not being recruited to due to the imminent shared service arrangement. Although some vacancies in the Directorate were recruited following the demise of the shared service arrangement, vacant posts are once again being held pending the Capita outsourcing decision.

## 7. Vacant Posts

The list of vacant posts at 10 February 2009 is shown at Appendix 3, together with the length of time these have been vacant. At this time the Council had 50 posts vacant. There is one additional post where an offer of appointment has been made but the prospective employee had not yet started. Of these, 18 are subject to potential outsourcing and are consequently on hold. Of the remaining 32 posts, 23 are on hold for a variety of reasons including review and potential budget savings.

## 9. Harassment and Bullying, Disciplinary and Grievance Cases

The number of cases under the harassment and bullying, disciplinary or grievance procedures for the period April to June were as follow:

H&B	Disciplinary	Grievance	Appeals
1	2	1	0

In the past three months there have been one occasion where an external mediator has been asked to provide mediation in respect of workplace relationship difficulties.
