

PERSONNEL COMMITTEE – 17TH OCTOBER 2017

Report of the Head of Strategic Support

Part A

ITEM 6 LEAVE ARRANGEMENTS – COMPASSIONATE LEAVE

Purpose of the Report

To gain Personnel Committee approval to implement the changes to the Leave Arrangements Policy in relation to Compassionate Leave.

Recommendation

That the changes to the Leave Arrangements Policy in relation to Compassionate Leave set out in Appendix A to this report be agreed.

Reason

To clarify the circumstances when it is appropriate for managers to allow compassionate leave and to guide managers in assessing the appropriate number of days to provide.

Policy Justification and Previous Decisions

The Senior Management Team asked HR to review the Council's provision of paid compassionate leave for employees. Managers regularly raise queries in relation to Compassionate Leave entitlements, prompting a review of compassionate leave at the Council.

Implementation Timetable including Future Decisions

It is recommended that the changes to the Leave Arrangements Policy document be published on the intranet following approval by Personnel Committee.

Report Implications

The following implications have been identified for this report.

Financial Implications

There are no immediate financial implications arising from this decision.

Risk Management

There are no specific risks associated with this decision.

Part B

Background

1. The principles of Compassionate Leave are outlined in the Leave Arrangements Policy. A review of that policy and compassionate leave requests within Charnwood has been undertaken. Additionally, other authorities and Fire and Rescue Services in the East Midlands area have responded to a request for information on levels of compassionate leave within their workplace. This has enabled Charnwood's compassionate leave entitlements to be compared to those of like employers.
2. Managers regularly raise queries in relation to Compassionate Leave entitlements, prompting a review of compassionate leave within Charnwood.
3. In relation to the policy, amendments have been made and relevant paragraphs have been merged with the intention of simplifying the information available to managers. The changes are highlighted in the attached document.
4. There is a limit of a maximum of 10 days' paid leave (pro rata for part time employees) in any 12 month rolling period to deal with bereavement and the emergency hospitalisation, emergency situation or the breakdown in care arrangements of a dependent. Whilst it is not within the current policy to grant in excess of this, there have been cases where this could have *been considered*. It is therefore proposed to include the following addition to the policy - *In exceptional circumstances a manager may agree a period in excess of 10 days' paid leave (pro-rata) in any 12 month rolling period.*
5. It is also proposed to increase the entitlement to paid days from 1 to 2 for dealing with the emergency hospitalisation, emergency situation or the breakdown in care of a dependent. The increase is coupled with the provision that an employee may be given up to 2 days' paid leave in any 12 month rolling period to deal with an urgent and unexpected situation of that nature.
6. When it comes to leave, the ACAS guide cites CIPD research stating that most employees are, in general, given five days' paid leave to deal with emergencies. However, they note that employer practices vary considerably from those offering unpaid leave only to those more generously giving two weeks' paid leave.
7. In comparison to this, and other authorities that have submitted information, Charnwood's paid compassionate leave entitlement is comparable and towards the top end of the scale, with only 2 other authorities giving a more generous entitlement. Not all authorities put a cap on a limit of a 12 month period, however some do, and this enables an authority to manage compassionate leave requests.
8. Having undertaken a review of Compassionate Leave requests within Charnwood for the periods 2015 – 16 and 2016 – 17, analysis of the information demonstrates the following:
 -) The majority of compassionate leave requests relate to the death of close relative,

- J Time given in those circumstances ranges from 1 – 10 days, with the most common amount of time given in those circumstances ranges between 4 – 10 days,
 - J One employee was awarded 18 days compassionate leave in a rolling 12 month period. This related to 2 separate incidents and was approved over 4 occasions. The current policy allows for 10 days in a rolling 12 month period,
 - J A minority of requests related to dealing with an emergency and unexpected incident in relation to a family member,
 - J One incident related to the funeral of a friend.
9. In context with the legislative requirements around time off in these circumstances employees are entitled to reasonable time off if necessary when a dependant passes away. As with bereavement, the law does provide a limited right to reasonable unpaid time off if necessary for emergency situations.

Key Points

10. Under Bereavement Leave, Hospitalisation or Emergency Situation, the following sentence has been added 'in exceptional circumstances a manager may agree a period in excess of 10 days paid leave (pro rata) in any 12 month rolling period'.
11. The number of days recommended for Emergency Hospitalisation, Emergency situations or the Breakdown in Care of a Dependent has been increased from 1 day to 2.
12. The Compassionate Leave Policy, currently contained within the Employee Handbook will be deleted.

Employees with more than one contract

Where an employee has more than one part-time contract of employment, each contract stands alone and the employee will receive separate annual leave entitlement and public holiday entitlements under each contract.

Annual Leave Entitlement - Full and Part Time Permanent and Fixed Term Contract Employees

The annual leave year for all NJC and JNC employees runs from 1st June to 31st May inclusive. Some groups of employees, including Craft and Associated Employees have different leave years outlined within their contracts which either fall from 1st April to 31st March or 1st January to 31st December.

If an employee commences employment part way through a leave year, pro-rata entitlement will be calculated on each day of completed service based on a full years' annual entitlement rounded down to the nearest half hour for part time employees.

For full time employees (those who work 37 hours per week) annual leave is calculated in days.

For part time employees and employees whose contracted hours are more than 37 hours per week annual leave entitlement is calculated in hours.

The number of days' annual leave entitlement is as follows:

Grade	Below 5 years' service	*Above 5 years' service
Grades 1 to PO4 (including	22	27

Skills Group 1 – 4)		
JNC	27	32
*Employees completing 5 years' service will receive their additional pro rata entitlement in the leave year in which they attain the requisite service.		
Part-time employees are entitled to annual leave pro rata to hours worked.		

Protected Annual Leave

Some employees who worked for Charnwood Borough Council prior to January 2000 have their annual leave entitlement protected at 28 days for NJC employees and 33 days for JNC employees as those employees will have over 5 years service. Part time employees who fall into this category will receive a pro rata entitlement based on the protected entitlement.

Employees on older contracts will continue to receive annual leave and public, extra statutory, and locally agreed days in accordance with their contracts, where entitlements specified are different to the current procedure.

Annualised Hours (including term-time working) only

For employees on annualised hours (including term-time) contracts, their holiday entitlement (public holidays and annual leave), is based on the contractual holiday entitlement for Council full time employees and is accrued throughout the contractual year. Further guidance is available on the intranet by following this link [click here](#).

The pattern of an employee's working and non-working periods will be agreed with the employee and then confirmed in writing by their line manager.

Annual leave for full and part time employees who wish to work annualised hours will be divided into hours, including annual leave and bank holiday entitlement, as detailed in the authority's leave policy. Actual working hours will be deducted on each working day for leave.

An employee may, from time to time, be required to work on any public holiday. If they are required to work on a public holiday, the employee will be reimbursed in accordance with the relevant conditions of service.

[Back to Contents](#)

Part Time Employees Annual Leave and Public Holidays

For part time employees the annual leave and bank holiday entitlements are added together to give a total leave entitlement (in hours) for the year. When employees take annual leave they must deduct from their entitlement the hours they would normally work on the day or days they are absent from work due to annual leave. If

Agreed At: Personnel Committee

a public holiday, extra statutory or locally agreed day falls on a day when they should be at work then they must also deduct from their entitlement the hours they would have worked on that day.

Part time employees who work the same number of hours each day can convert their leave entitlement to days by dividing their number of hours leave entitlement by the number of hours per day that they work.

Employees whose contractual hours of work are at the beginning of the week may find that they have to utilise annual leave to cover time taken for bank holidays. In such cases employees may wish to negotiate with their manager to recover this time by working on a day they would not normally work. Both parties must mutually agree this agreement.

For example an employee who normally works on a Monday, Tuesday and Wednesday may agree to work on a Tuesday, Wednesday and Thursday where the Monday is a Bank Holiday, they would therefore not need to deduct any time from their leave entitlement.

Part time employees who receive their annual leave entitlement in hours may take any odd hours they have left after taking their annual leave in full or half days as they wish. To make any surplus hours left after taking full or half days, part time employees can add hours banked as flexi to the remaining annual leave hours.

[Back to Contents](#)

Annual Leave Entitlement - Casual Workers

Casual workers are entitled to statutory annual leave (28 days a year). Due to the nature of the work it is difficult for casual workers to take their leave so therefore casual workers automatically receive payment for this, by Trent enhancing the hours worked by 12.07%.

Casual workers' payslips identify the payment made for the hours worked and a separate amount showing holiday pay entitlement for those hours.

However, employment law gives casual workers the right to take leave during any period they have agreed to work. It is recognised that this usually isn't practical, but as this is a requirement of the law it is necessary to include this as an option in the contract for services. In reality it is anticipated that casual workers will only request to take leave on very rare occasions. On the rare occasion that a casual worker will request to take their leave, they may decline to work on a particular day or request not to work on a particular day and managers just need to ensure that the casual worker does not receive pay for the hours that they do not work.

During a period of an assignment, in agreement with their Manager, a casual worker will be entitled to take the annual leave accrued during that assignment. When a request is agreed for annual leave to be taken during an assignment, managers must ensure that the following is recorded on the employee's time sheet 'Leave taken – no hours worked'. Similarly when a casual worker is assigned to work during a period when a public holiday or the concessionary day falls and they are not required to work managers must ensure that no hours are recorded on that day(s).

Taking of Annual Leave

Annual leave may be taken by mutual agreement between the manager and the employee, other than in those services where employees are required to take holidays at particular times. Annual leave must be taken in periods of not less than half a day.

All requests for annual leave must be approved in advance.

Employees must not present their manager with a 'fait accompli' by booking a holiday and then requesting leave as this may lead to disappointment if the leave cannot be granted.

Other team members may also wish to take leave at the same time or may already have approved leave arrangements. Managers must ensure fairness and be able to maintain adequate staffing cover (and appropriate skills) so it may not always be possible for managers to grant leave requests in line with an employees request.

It is appreciated that it may not always be possible to give advance notice in the case of short term, unexpected events, and managers need to be sensitive to individual circumstances. For further information, go to the Unplanned Leave section in this policy by [Unplanned Leave](#).

The annual leave calculator is available on the intranet by following this link [click here](#). The annual leave calculator works out annual leave for part time staff for the full year, part time staff for part of the year, part time staff with a change of hours, full time staff for the full year and full time staff for part of the year.

Carry Over of Annual Leave

Employees may carry forward up to a maximum of 5 working days* of their contracted weekly working hours from one leave year to the next.

Request to bring forward annual leave from the next leave year

A request may be made by an employee to use some of their leave entitlement from the next year's annual leave entitlement as they have insufficient leave remaining in the current leave year to accommodate a commitment they wish to fulfil e.g. extended holiday. Where a request is granted managers should ensure the employee will have an entitlement remaining in the following leave year that allows at least the entitlement to statutory leave.

There is no general entitlement to bring forward annual leave from the next leave year into the current leave year and other options should be explored in the first instance such as unpaid leave. Following advice from HR, managers and the Head of Service, may approve individual requests in exceptional circumstances.

[Back to Contents](#)

Untaken Leave - At the End of the Leave Year

There is no entitlement to be paid for any annual leave that remains untaken at the end of the leave year. Where such leave cannot be carried forward, as per previous section, an employee will lose the entitlement to that leave.

[Back to Contents](#)

Untaken Leave - Notice of Termination of Employment

Where notice is worked

The line manager will notify the employee of the proportionate amount of leave to which they are entitled up to the date of leaving. This amount will include any leave remaining from the previous leave year if applicable (up to 5 days) and any leave accrued up to the last day of employment, but not taken for the leave year in which the termination of employment takes place.

Employees are required to take any outstanding annual leave before leaving. If it is not possible to take the outstanding leave before leaving for operational reasons, or if the case is deemed one of special hardship by the Strategic Director, payment will be made for the amount of leave remaining.

Where Notice is Not Worked - Ill Health Retirement and Other Terminations of Employment

The line manager must inform HR Services of any annual leave adjustments via the leavers' checklist e-form which is available on the intranet by following this link [click here](#).

The amount of contractual leave accrued but not taken for the leave year in which employment terminates will be calculated and paid in lieu. This will include any annual leave which has been carried forward from a previous leave year.

Leave Taken in Excess of Entitlement

Employees who are leaving the service of the Council and have taken leave in excess of their entitlement will have the appropriate amount deducted from their final salary payment.

[Back to Contents](#)

Accrual of Annual Leave during a Period of Unpaid Leave

In accordance with the Working Time Regulations employees' should accrue 28 days annual leave (pro rata for part time employees) per leave year. Paid public holidays can be included as part of this statutory leave entitlement. The contractual leave entitlement given to an employee is in excess of the statutory leave entitlement.

An employee would not ordinarily accrue annual leave during a period of unpaid leave. However, where an employee will be having an extended period of unpaid leave, the manager will need to ensure the employee receives the minimum statutory leave entitlement for that leave year. Managers will need to take into account any leave already taken during the leave year as this will count towards the statutory leave entitlement. Where the employee is unable to take the minimum statutory leave entitlement, managers can arrange payment in lieu.

[Back to Contents](#)

Planned Leave (pre-arranged appointments)

With the exception of ante-natal and disability related appointments, employees should make every effort to book medical appointments and other absences for personal/domestic matters outside of their normal working arrangements.

There are separate provisions in the [Maternity Leave and Pay Policy and Procedure](#) and [Special Leave for Disability-Related Absence](#) documents.

However, it is recognised that this is not always practicable and employees may need time off from work to accommodate this. It is expected that many of these can be accommodated by utilising the flexibility available under the Flexible Working Time (NJC) and Flexible Working Hours (Flexitime) (JNC) Policy where applicable. If this cannot be possible then the employee should discuss this with their manager at the earliest opportunity so that agreement can be made on the best arrangements to be put in place to ensure service provision is not affected. This could include utilising already accrued TOIL or swapping working days with a colleague.

Title: Leave Arrangements (Annual, Public Holidays and Other Leave Entitlements) Policy
Version: 2017 v 1
Date Agreed: 05.11.13
Date Amended: 31.01.17

Agreed At: Personnel Committee

Should it not be possible to find an alternative arrangement that enables the employee to be absent then the absence may be taken as annual leave. If the employee has insufficient leave remaining, or prefers, the absence should be treated as unpaid leave.

Leave for Carers

Employees who need to attend a medical appointment of a person they are providing care support for, should request appropriate leave arrangements with their manager. This can include using; TOIL, making up the hours at another time, swapping a working day with a colleague, taking flexi time, annual leave or unpaid leave.

Unpaid Leave for Carers

Employees can request unpaid leave to undertake a caring responsibility for a period of up to one month. Any request for leave in excess of one month should be requested in line with the Career Breaks policy.

Medical Appointments

Where it is necessary to take time off to visit the doctor, dentist, hospital etc. employees should endeavour to make appointments outside core time. Core time is 9:30 – 11:15 (JNC)/11:45(NJC) and 14:15 – 16:00 (15:30 on a Friday). Where this is not possible, employees should credit the hours absent during core time. Any absence during flexitime should not be credited. It may be necessary to record more than one starting and finishing time on such occasions.

The cost of unpaid leave will be calculated as follows:

Hours taken as unpaid leave X hourly rate of pay

Example

A full time employee on Scale 6 - pay point 26 (£22221 per annum)

£22221/52/5 = £85.46p for the day's leave

Please Note that the employees' pension contribution will be deducted from the normal monthly salary.

[Back to Contents](#)

Unplanned/Compassionate Leave

Most employees are likely to experience an event or events when their immediate attention is required. In these circumstances managers should, as far as reasonably practicable, enable an employee to make up the time taken away from work, by using any existing TOIL or flexi time that they may have, or by them making up the time taken within a set period of time. Where it is not practicable to accommodate all or part of the time taken in this way, the time lost must be taken as annual or unpaid leave. The exception to this is in relation to leave required to deal with bereavement leave and the emergency hospitalisation, emergency situation or the breakdown in care arrangements of a dependant.

Bereavement Leave, Emergency Hospitalisation, Emergency Situation or the Breakdown in Care of a Dependent

A maximum of 10 days' paid leave (pro-rata for part-time) may be granted in any 12 month rolling period for the purpose of dealing with bereavement and the emergency hospitalisation, emergency situation or the breakdown in care arrangements of a dependant. The provisions for each of these specific circumstances are set out below however when combined should not exceed a maximum of 10 days' paid leave (pro-rata for part-time) in any 12 month rolling period. This period commences on the first day when compassionate leave is granted. Ordinarily where an employee has already been granted the maximum number of days available managers should seek to accommodate requests using the provisions of the Planned Leave Section ([see above](#)). **In exceptional circumstances a manager may agree a period in excess of 10 days' paid leave (pro-rata) in any 12 month rolling period.**

Bereavement Leave

A maximum of 5 days' paid leave may be granted in the event of the death of a family member or close friend. The definition of a family member or close friend ([see below](#)) is not exhaustive as it is recognised that the nature of relationships is complex. Therefore, when determining the number of days to authorise, managers will need to consider the individual circumstances facing the employee including:

-) Taking account of the circumstances surrounding the bereavement;
-) Being sensitive to cultural and religious observances which may affect the obligations placed upon the employee within the family unit. The Religious Observance section within this policy gives further guidance ([click here](#));
-) Taking account of whether the employee has responsibility for making arrangements for the funeral;
-) Whether the employee has a practical role to play afterwards (e.g. executor to the estate).

In exceptional and unusual circumstances (e.g. if the child of an employee passes away) it may be appropriate to grant up to a further 5 days paid leave.

Title: Leave Arrangements (Annual, Public Holidays and Other Leave Entitlements) Policy
Version: 2017 v 1
Date Agreed: 05.11.13
Date Amended: 31.01.17
Proposed Amendment: 08.05.17
Agreed At: Personnel Committee

Definition of a family member or close friend

For the purpose of Bereavement Leave, a family member or close friend is defined as:

-) Own child/step child;
-) Partner (including same-sex partner);
-) Parents/step parents;
-) Siblings/siblings of partner;
-) Grandparents or In-laws;
-) Next-of-kin or nominated next-of-kin;
-) Other family members living long term in the employee's household (not temporary visitors or lodgers, etc);
-) Other dependents where an employee has provided care;
-) Where an employee has a close personal relationship which may include having responsibility for making any necessary arrangements.

Managers must consider each case on its own basis. Approval for paid time off for bereavement under this scheme is subject to the closeness of the relative/dependent that has passed away. It is therefore necessary for the employee to indicate their relationship with the deceased, if they were the sole carer, the date of the death and the location of the funeral to ensure that the Manager is able to authorise leave as appropriate.

Sickness following bereavement

Where the employee is not well enough to attend work following the bereavement, or other difficult situation that has occurred, due to the effects of stress, anxiety, and reactive depression etc. normal sickness reporting and certification procedures will apply.

Emergency Hospitalisation, Emergency Situation or the Breakdown in Care of a Dependent In the event of the emergency hospitalisation of a dependent where an employee is required to provide care, or in circumstances where care arrangements for a dependent break down or an emergency situation occurs, up to 2 days' paid leave in any one (rolling) year may be granted to enable the employee to make alternative arrangements and manage immediate domestic affairs. It may be applicable in some circumstances (e.g. a life threatening condition) to allow up to a further five days' leave with pay. Ordinarily additional time off will be subject of the provision of the planned leave section above.

The Council interprets the term emergency to mean an unexpected and serious situation requiring immediate attention, affecting him/herself or a close relative or dependant. The time required to address the emergency will be for a finite period. Once the need for immediate action has been addressed, the emergency will be considered to be over.

Managers must consider each case on its own basis. Compassionate leave does not cover minor or common health problems within the family, for instance childhood ailments or planned surgery. In such cases flexi-leave, annual leave or unpaid leave should be requested until such time as arrangement for care can be made. Leave granted under these arrangements is not intended for long term family or domestic needs where other arrangements must be made by the employee. For example, a relative's routine medical appointment or arrangements related to domestic issues.

Requesting Compassionate Leave

To request compassionate leave employees' must apply to their line manager and complete the **Application for Compassionate Leave** e-form, which will then need to be authorised by their manager. It is accepted that for emergencies and unforeseen circumstances the form can be completed after the leave has been taken, provided that prior agreement to the leave has been received from the manager. In addition to completing the e-form, employees must also request the leave through i-Trent employee self service.

[Back to Contents](#)

Severe Weather Conditions

The Council recognises that adverse weather conditions will, from time to time, make travel to and from work difficult. However, employees are expected to make all reasonable efforts to reach their workplace to help fulfil the stated objectives. If it is not possible to reach the workplace, requests for working from home will be considered by the manager.

In circumstances where an employee on a permanent or fixed term contract fails to attend work, or where the employee arrives late and the manager is not satisfied that the arrival time is reasonable, the time lost will be made up by using any existing TOIL that they may have, or by them making up the time taken within a set period of time. Where it is not practicable to accommodate all or part of the time taken in this way, the time lost must be taken as flexi time, annual or unpaid leave. Casual employees who fail to attend work will not be paid for the day(s) in question.

Where employees arrive late and the Manager is satisfied that their arrival time is reasonable the employee will not lose pay and will be credited with their normal contracted hours for that day. The Manager must take account of the following factors when reaching their decision:

-) The distance they live from their workplace, and
-) The prevailing weather conditions.

Casual employees will be paid for the actual hours of attendance at work.

If weather conditions are particularly severe and employees request to leave work early, the Manager may allow those who are not required to provide essential cover to do so taking account of:

-) The distance the employee(s) lives from their workplace; and
-) The prevailing weather conditions.

Employees will generally continue working until their normal finishing time.

Permanent and temporary employees granted permission to leave early under managerial discretion will not lose pay and will be credited with their normal contracted hours for that day.

Where the Council is unable to provide employment at the employee's normal workplace, e.g. due to heating breakdown, full closure of an establishment etc, and/or a suitable alternative work location cannot be provided, including working at home, the employee will receive normal pay for any time lost up to a maximum of the employee's normal contracted hours for that day.

Fertility Treatment

There is no statutory entitlement to time off for IVF treatment. However, the Council recognises the potential emotional pressure employees may experience during the process. By way of alleviating some of the associated anxiety the Council has agreed that time off to attend appointments and treatment will be subject to the planned leave provisions of this policy [click here](#). Time off due to any side effects of the treatment will be dealt with under the Attendance Management policy. Sickness absence associated with the treatment will not be classed as pregnancy related absence.

Religious Observance

The Council recognises the diversity of its workforce. Any requests for time off for the purpose of religious observance including religious festivals should be granted unless there are exceptional circumstances which make it impossible for the employee to be released.

Employees may wish to offer prayers whilst at work in accordance with their religious customs. Where religious observance needs to take place during working hour's line management approval must be sought in advance and the time must be made up by the employee.

Leave requests may be:

Cadet Corps (Army, Air Force and Sea Cadets)

Cadet level

Membership of the army, air force or sea cadets is purely voluntary and activities normally take place in the evenings and at weekends, i.e. in the employee's own time.

However, employees may be granted up to 5 days' paid leave from their Council employment to attend an annual training camp.

The maximum age limit for cadets is normally 18. They have an opportunity to participate in activities such as the Duke of Edinburgh Award Scheme or undertake a BTEC qualification and other activities designed to release and enhance their physical, intellectual and social potential. They often gain skills therefore that assist them in their day to day work activities.

Adult Instructors

Once the maximum age limit for cadet level has been reached some may decide to continue as adult instructors.

Adult instructors are also voluntary roles which are undertaken in the employee's own time. They normally participate in activities for a minimum of one or two evenings per week and attend approximately four weekend training events per year.

Adult instructors receive payment for attendance at training courses and the annual training camp for which paid leave from their Council employment will not be granted. Requests from employees, who are adult instructors wishing to attend these activities should be considered as planned leave.

Summary of Reasons

The review highlights inconsistencies in the way employees' request compassionate leave, with some completing an e-form and i-Trent, and other completing just one of these requirements.

The reason for compassionate leave is only highlighted through the e-form. Of the few cases we can analyse the information demonstrates:

-) The majority of request for compassionate leave arise due to the death of a close relative,
-) Time given in those circumstances ranges from 1 – 10 days, with the most common amount of time given in those circumstances ranges between 4 – 10 days,
